Understanding Your Role in Addressing Blight in Your Community

Come and learn what role you can play to address blight in your community and what tools you can use. Come and network with others who face the same struggles in their communities throughout Allegheny County.

Attend our Blight Summit
to learn about the
“**Tools in the Toolbox**”
that are available to address
blight in your community.

Kindly register your attendance by returning the enclosed registration card or visit www.pahouse.com/deasy or www.pahouse.com/dcosta to register online by October 1st.
