

Memorandum

FROM: Representative Camille "Bud" George, Chairman
Environmental Resources and Energy Committee

DATE: March 17, 2010

SUBJECT: Committee Meeting

The Environmental Resources and Energy Committee will hold a meeting Wednesday, March 24, 2010 at 10:00 a.m. in Room 39 East Wing.

The agenda for the committee meeting will include:

- House Bill 1341, authorizing municipalities and the Department of Environmental Protection to conduct sewage sludge testing on certain lands; and providing for reports to the General Assembly, Representative George
- House Bill 2109, providing for a temporary exemption for alternative energy systems, Representative Hornaman
- House Bill 2235, providing for a moratorium on leasing State forest lands for the purposes of natural gas exploration, drilling or production, Representative Vitali

Any other business that may come before the Committee.

You are invited to make an introductory statement before the formal discussion. If you have questions regarding the contents of the meeting, please contact Thomas Kuhn, Committee Executive Director (783-2000).
