

Memorandum

TO: Environmental Resources and Energy Committee Members

FROM: Representative Camille "Bud" George, Chairman
Environmental Resources and Energy Committee

SUBJECT: Committee Hearing on House Bill 2213

The House Environmental Resources and Energy Committee will hold a public hearing on Wednesday, April 7, 2010, from 1:00 p.m. to 3:00 p.m. at the Kingstown Township Municipal Building, Luzerne County. The purpose of this hearing will be to solicit testimony on mitigating environmental risks associated with drilling in the Marcellus Shale formation in general and House Bill 2213 in particular.

The following is a tentative list of testifiers:

- Jeff Schmidt, Senior Chapter Director, Sierra Club Pennsylvania Chapter
- Brady Russell, Eastern PA Director, Clean Water Action
- Panel of local citizens with environmental concerns
 - Dr. Thomas Giunta
 - Dr. Gere Reisinger
 - Victoria Switzer

The hearing will be held at the:

Kingston Township Municipal Building, Luzerne County
180 East Center Street
Shavertown, PA 18708-1514
570 696-3809
