The Pennsylvania Treasurer’s Office is currently holding $1.9 billion in unclaimed property, and wants to turn it over to the rightful owners. Records from the treasurer’s office indicate that you may be eligible for a claim!

As your representative in the General Assembly, I believe it is my responsibility to bring this to your attention. I was surprised to learn that I had unclaimed property myself.

You can obtain applications and forms to claim your property by logging on to the Pennsylvania Treasurer’s website at www.patreasury.org, or calling Treasury toll free at 1-800-222-2046. Please remember, there is never a fee to claim what is yours.

You may have unclaimed property if:

• You were named a beneficiary on a life insurance policy;
• You opened a savings account and forgot about it or your account went inactive because you did not make deposits or withdrawals for a period of time;
• You moved, forgot to change your address at the post office, and had money coming to you;
• You left your job to start a new one, and never received your final paycheck or expense reimbursement payment;
• You forgot to redeem a gift certificate and it expired.

You can stop by my local office at Commerce Building, Suite 303, 4232 Northern Pike, Monroeville for help downloading forms or completing them.
