In June, I became the Northeast Democratic Delegation chairman for the remainder of the 2015-2016 legislative session.

It is an honor to have been selected for this responsibility, and I look forward to getting the opportunity to see and learn more about our beautiful and historic region. Most importantly, this position will allow me to better advocate for the 132nd District and our schools.

I am committed to strengthening northeastern Pennsylvania and I look forward to working with my colleagues throughout the region to do just that. Each member of the delegation represents unique communities and the issues they face are very different. However, we are stronger and more effective together. By working collectively, we can enhance the quality of life for all of our constituents.

The Northeast Democratic Delegation consists of House members from Berks, Lackawanna, Northampton, Schuylkill, Lehigh and Luzerne counties.

Allentown Students visit the Capitol

I am always happy to welcome a group of students to the Capitol when the House of Representatives is in session. It is a pleasure to welcome students, teachers and parents from Executive Education Academy in Allentown to the Capitol with me.

We met with Representative Peter Schweyer. The group and parents from Executive Education Academy in Allentown to discuss support for Pennsylvania’s schools.

Standing With Volunteer Fire Companies

Recently, I visited with volunteer firefighters from Woodlawn and Greenawalds and EMS firefighters from Woodlawn and South Whitehall to claim money turned over to the state treasurer. If you get a letter in the mail about unclaimed property, please contact me. I would be happy to help you retrieve what belongs to you.

There are some services you cannot do online, such as requesting a duplicate vehicle title, process is easy, and PennDOT offers detailed instructions for navigating its site.

Over the past two years, my office has helped constituents of the 132nd District retrieve more unclaimed property than any other office in the Commonwealth. That adds up to $195,105 for 229 people in the 132nd District.

My staff and I actively help residents of Allentown and South Whitehall to claim money turned over to the state treasurer. If you get a letter in the mail from my office about unclaimed property, please contact me. I want to help you get what rightfully belongs to you.

There are some services you cannot do online, such as requesting a duplicate vehicle title, process is easy, and PennDOT offers detailed instructions for navigating its site.

Medicare Open Enrollment

Do you know everything you need to know about your Medicare coverage? If you are a private Medicare or prescription plan, your details could change and it could cost you. Medicare open enrollment begins on Oct. 15 and ends Dec. 7. If you are making a change or need help reviewing your options, my office is here to help.

Beginning Oct. 20, my office’s benefits counselor will be available EVERY Tuesday. Give my office a call at 610-821-5577 to schedule your appointment.

Assistance Available for Those Seeking Disability Parking Placard

My office often helps people obtain a disability placard from PennDOT. Did you know, that even if you don’t have a car, you can still have a disability placard? If somebody is giving you a ride to the grocery store or the doctor, you can still have a placard available for use on those trips. For more information, contact my office at 610-821-5577 to learn more about obtaining a free disability placard.

In the fall of the Jerry Sandusky child abuse scandal, the General Assembly enacted a variety of reforms aimed at better protecting children from abuse. As a result, all volunteers who have direct supervision over children are required to pass a background check.

In June, Representative Tom Schweyer proposed a bill to help protect children. The bill would require all volunteers who have direct supervision over children to pass a background check.

In May, Representative Steve Samuelson, Representative Peter Schweyer and I hosted a Senior Fair at the East Side Youth Center. We had information available about health insurance, tests for hearing and vision and more. Thank you to everybody who attended. I am so glad we were able to provide information for those who need it. I look forward to the opportunity in all of the future Senior Fairs organized by residents at Grace,weeney in July.

I went to the honor of working with some forward-thinking community leaders to find new ways to fund vital programs for early childhood education. As a result of that collaboration, I recently introduced legislation to allow Pennsylvania to invest in education and human services while saving money by reducing the costs for prisons, additions and mental health services.

We know that it is cheaper to provide world-class education than to build prisons. We know that our children can be very expensive. By investing in early childhood education and human services, Pennsylvania stands to save money.

House Bill 1147, which I introduced in June, would allow Pennsylvania to partner with private foundations to invest in early childhood education and human services. Pennsylvania stands to save money.

The pay-for-success model, which is operating in many states, including Massachusetts and New York, can be a great opportunity for Pennsylvania because an investor would know untreated mental illness can be very expensive. By investing in early childhood education and human services while saving money by reducing the costs for prisons, additions and mental health services, Pennsylvania stands to save money.

In a time when government has been asked to do more with less, the pay-for-success model can be a great opportunity for Pennsylvania because an investor would know untreated mental illness can be very expensive. By investing in early childhood education and human services while saving money by reducing the costs for prisons, additions and mental health services, Pennsylvania stands to save money.

If you or your organization needs help understanding what is required for volunteers working with children, my office is here to help. Please call my office at 610-881-5577 or email me at RepSchlossberg@pahouse.net. You can also visit www.RepKatieSchlossberg.com for an up-to-date schedule on these new laws designed to protect children from abuse.

In April, the Speaker of the House and I welcomed representatives from the Lehigh Valley Center for Independent Living to the Capitol. I was pleased to meet the day by elegant Dolores and Sam Martinez, who are active in mentoring students in the Montgomery School District. It was a pleasure to welcome Rev. Tjedyf, Mr. Colagnet and Mr. Martinez to the Capitol.

In June, I was honored to welcome guests to Miller Symphony Hall for the El Sistema Concert. El Sistema is a music program run in partnership between the Mayfield School District and the El Sistema Association. Children learn the fundamentals of music, gain self-esteem experience and perform for the community. This concert put El Sistema’s creative and talented students on stage for a wonderful performance and helped to display how critical the arts are for children’s education.
Working for YOU in Harrisburg

Protecting Our Children from Abuse

In the fall of the Jerry Sandusky child abuse scandal, the General Assembly enacted a variety of reforms aimed at better protecting children from abuse. As a result, all volunteers who have direct supervision over children are required to report its findings within six months. I am excited to hear the results of this study to further understand the issue, which is why I think this study will be so insightful. Once the resolution is adopted by the House, the Legislative Budget and Finance Committee to conduct a study on income inequality in Pennsylvania. I recently introduced a bill, House Bill 1147, which I introduced in June, would allow Pennsylvania to partner with philanthropists and the private sector to invest in successful initiatives which save money by reducing prison costs, addiction and the demand on public assistance. We know that it is cheaper to provide world-class education than to build prisons. We must gain a better understanding of the specific challenges at play with this issue in order to build momentum for a positive resolution. We can begin by reporting its findings within six months.

More Pre-K for PA

I have led the honor of working with some forward-thinking community leaders to find new ways to fund vital programs for early childhood education. As a result of that collaboration, I recently introduced legislation to allow Pennsylvania to invest in education and human services while saving money by reducing the costs for prisons, addiction services and public assistance. We know that it is cheaper to provide world-class education than to build prisons. We need to report its findings within six months. I am excited to hear the results of this study to further understand the issue, which is why I think this study will be so insightful. Once the resolution is adopted by the House, the Legislative Budget and Finance Committee to conduct a study on income inequality in Pennsylvania. I recently introduced a bill, House Bill 1147, which I introduced in June, would allow Pennsylvania to partner with philanthropists and the private sector to invest in successful initiatives which save money by reducing prison costs, addiction and the demand on public assistance. We know that it is cheaper to provide world-class education than to build prisons. We must gain a better understanding of the specific challenges at play with this issue in order to build momentum for a positive resolution. We can begin by reporting its findings within six months.

Reducing Income Inequality

Income inequality is the greatest challenge of our nation today. I joined with Representative Peter Schweyer to introduce a measure to help address this growing problem. House Resolution 326, which was introduced in May, would direct the Legislative Budget and Finance Committee to conduct a study on income inequality in the commonwealth, focusing on factors such as gender, education level, occupation, ethnicity, industry and much more. We must gain a better understanding of the specific challenges at play with this issue in order to build momentum for a positive resolution. Once the resolution is adopted by the House, the Legislative Budget and Finance Committee would be required to report its findings within six months.

School Visits

One of my favorite parts of serving in the House of Representatives is when I get to visit students in our community. In April, I visited with Lehigh Valley Child Care at Muhlenberg Elementary School to celebrate the Week of the Young Child. We read The Lorax by Dr. Seuss and talked about ways to help the environment. I was truly lucky enough to be invited by five students at Union Terrace to join them for a field trip to the Liberty Bell Museum. We had a fun conversation about good citizenship. Other schools I have visited include Moyer Elementary, Kratzer Elementary, Harrison-Morton Middle School and William Allen High School.

Senior Fairs

Senior Fairs are an opportunity for our community to gather and learn about the various programs and services available to older adults. In May, the Lehigh Valley Center for Independent Living held its 13th annual Allentown Flag Day Association Essay Contest. The essays were submitted on the important symbolism of the American flag and what it represents to them. Also, thank you to the residents of the 132nd District who brought over 200 flags to be used as a drop-off location for their “Ashes to Graves Ceremony.” My office will continue to collect flags and assist by serving as a drop-off location for flags throughout 2015 and 2016.

Working for You

In May, Representative Steve Samuelson, Representative Peter Schweyer and I hosted a Senior Fair at the East Side Youth Center. We had information available about health insurance, tools for elder care and much more. Thank you to everybody who attended, I am glad we were able to provide information for you to use. I also met the opportunity to attend a Senior Fair organized by residents at Grace Towers in July.

Pastor Visit to Capitol

In April, the Speaker of the House and I welcomed Fares Saed Tjeltveit of the Church of the Mediator in Allentown to give the invocation at the beginning of House session. He was joined by Daniel Cobert and Sam Martinez, who are active in mentoring students in the Allentown School District. It was a pleasure to welcome Rev. Tjeltveit, Mr. Cobert and Mr. Martinez to the Capitol.

Allentown Celebrates Flag Day

On June 14th, the Speaker of the House and I welcomed Fares Saed Tjeltveit of the Church of the Mediator in Allentown to give the invocation at the beginning of House session. He was joined by Daniel Cobert and Sam Martinez, who are active in mentoring students in the Allentown School District. It was a pleasure to welcome Rev. Tjeltveit, Mr. Cobert and Mr. Martinez to the Capitol.

#IWantToWork

The Lehigh Valley Center for Independent Living is a non-profit organization based in Allentown that helps young adults who are transitioning to independent living, employment, advocacy and leadership. These young adults have a passion for social change and would like to learn more about what legislation is important to help meet their needs. More information about the Lehigh Valley Center for Independent Living can be found by calling 610-770-9781.

Fighting for a Better Budget

I am happy to stand with Parkland School District Superintendent Rich Sniscak in calling for a budget that meets Pennsylvania’s obligation to support our community schools.

El Sistema Event

In June, I was honored to welcome guests to Miller Symphony Hall for the El Sistema Concert. El Sistema is a music program run in partnership between the Philadelphia School District and Allegheny Symphony Association. Children learn the fundamentals of music, art and teamwork experience and partner with community. This concert put El Sistema’s creative and talented students on stage for a wonderful performance and helped to display how critical the arts are for children’s education.
More Pre-K for PA

In a time when government has been asked to do more with less, the pay-for-success model only see a return on his or her money if the program met predefined standards that protect our children.

The pay-for-success model, which is operating in many states, including Massachusetts and California, is a collaborative effort, I recently introduced legislation to allow Pennsylvania to invest in successful initiatives which save money.

We know that it is cheaper to provide world-class education than to build prisons. We know untreated mental illness can be very expensive. By investing in early childhood addiction services and public assistance.

In May, Representative Steve Samuelson, Representative Peter Schweyer and I hosted a Senior Fair at the East Side Youth Center. We had information available about health insurance, tests for those in need.

If you or your organization needs help understanding what is required for volunteers, you can visit our website or email me at RepSchlossberg@pahouse.net.

Reducing Income Inequality

Income inequality is the greatest challenge of our generation. I joined with Representative Peter Schweyer to introduce a measure to help address this growing problem.

House Resolution 326, which was introduced in May, would direct the Legislative Budget and Finance Committee to conduct a study on income inequality in the commonwealth focusing on factors such as gender, education level, occupation, ethnicity, industry and much more.

We must gain a better understanding of the specific challenges at play with this issue in order to build momentum for a realistic solution.

In my role as four-year-old school model has a lot of potential to offer the commonwealth. As budget negotiations continue, this is a key area of consideration.

More Pre-K for PA

I have led the effort with some forward-thinking community leaders to find new ways to fund vital programs for early childhood education.

As a result of that collaborative effort, I recently introduced legislation to allow Pennsylvania to invest in early childhood education and human services while saving money by reducing the costs for prisons, additional education and other programs.

We know that it is cheaper to provide world-class education than to build prisons. We know that untreated mental illness can be very expensive. By investing in early childhood addiction services and public assistance.

Collaborative efforts like this are what allow us to do more with less. The pay-for-success model, which is operating in many states, including Massachusetts, makes it easy for us to provide world-class education than to build prisons. We know that untreated mental illness can be very expensive. By investing in early childhood addiction services and public assistance.

We know that it is cheaper to provide world-class education than to build prisons. We know that untreated mental illness can be very expensive. By investing in early childhood addiction services and public assistance.

It is a pleasure to welcome students, teachers and parents from Executive Education Academy in Allentown to the Capitol with Representative Peter Schweyer. The group came to the Capitol for a tour and to talk with students to the Capitol when the House

Dear Friends,

The headlines about Pennsylvania’s finances can be pretty discouraging. Nonetheless, as your state representative, it is my job to fight for you in addressing the biggest challenges facing our state.

One of the major obstacles I continue to tackle is working to secure adequate resources for the Allentown and Parkland school districts. Both school districts face very different challenges in preparing their students for the 21st century economy. I am committed to the very simple belief that every student should have access to a quality education.

These men and women risk their lives during emergencies. The least we can do is waive their fee when it is time for a mandatory background check.

My office often helps people obtain a disability placard from PennDOT. Did you know, that even if you don’t have a car, you can still have a disability placard? If somebody is giving you a ride to the grocery store or the doctor, you can still have a placard available for your use on those trips. For more information, contact my office at 610-821-5577 to learn more about obtaining a free disability placard.
