

Senate Bill 1108 provides \$632 million for COVID Relief - Long-Term Living Programs. House Bill 2510 outlines that \$245 million of that amount is to be used for nonpublic and county nursing homes. Funding is provided in two distributions. First, \$196 million is to be distributed proportionally based on the Medical Assistance (MA) days in the third quarter of calendar year 2019. Second, \$49 million is to be distributed proportionally based on the number of licensed beds as of March 31, 2020.

This is an estimate of how the first distribution of \$196 million will be made.

Senate Bill 1108 provides \$632 million for COVID Relief - Long-Term Living Programs. House Bill 2510 outlines that \$245 million of that amount is to be used for nonpublic and county nursing homes. Funding is provided in two distributions. First, \$196 million is to be distributed proportionally based on the Medical Assistance (MA) days in the third quarter of calendar year 2019. Second, \$49 million is to be distributed proportionally based on the number of licensed beds as of March 31, 2020.			
This is an estimate of how the second distribution of \$49 million will be made.
