GET YOUR MONEY BACK!

Thousands of Pennsylvanians have assets being held by the state — and you might too! All you need to do is ask to get it back. The money may be unclaimed for simple reasons, such as misspelled names or incorrect addresses. It often comes from financial institutions, insurers, utilities, medical facilities, or government entities.

Call or stop by my office, and my staff and I will help you search to see if you're owed anything — and we'll help you complete the paperwork on the spot to get it back! I have three district offices to serve you, all listed on the right, so call or visit whichever office is most convenient for you.
