Dear Friends,

I want to express my heartfelt gratitude to each of you for giving me the opportunity to serve you this past legislative term. It has truly been an honor to represent such a wonderful community and to get to know so many of you personally. I am incredibly grateful for the opportunity to serve you for another term. Your unwavering support and trust mean the world to me.

While I am expressing my thanks, I would be remiss not to give tremendous credit to my incredible team. They work tirelessly to serve our constituents and show every day just how much they care about the people we serve. Their passion and commitment to making a difference are truly inspiring. Our team pours their hearts into every task, ensuring that we are always there for you when you need us. Whether it's assisting with important issues, providing valuable resources, or simply lending a listening ear, they go above and beyond to make sure your needs are met. I could not serve you so diligently without their tremendous efforts, and I am incredibly fortunate to have such an extraordinary team by my side. Their hard work and compassion are the driving forces behind our ability to make a positive impact in our community.

In this term, my team and I have successfully completed over 20,000 caseworks, providing essential

guidance and assistance with state services, and brought almost \$13 million in grant funding back to our community. We are committed to continuing our outreach efforts to ensure even more of our neighbors receive the help they need. I hope you will join me in showing thanks to my team. They deserve all the recognition and appreciation for making our mission possible. Thank you, Rafia, Leza, Alex, and Colin for everything you do.

Together, we have achieved so much, and I am excited about what we can accomplish in the future. I am deeply

committed to working hard on your behalf, addressing the issues that matter most to you, and continuing to make our community a better place to live, work, and play for everyone. Thank you for believing in me and for allowing me to be your voice in Harrisburg. Here's to another term of progress and positive change!

On that note, my team and I have been hard at work planning events for the next six months, and I have included that information inside this mailer. Mark your calendars—we'd love to have you join us at any of the events that interest you!
