# COMMUNITY RESOURCE GUIDE

*for the 191st Legislative District*  
**PHILADELPHIA**

*A message from*

**State Representative**

**Joanna E. McClinton**

Few things are as important to you and your family as your personal safety. As your elected representative – and neighbor – I understand and share those concerns. That's why I put together this handy guide – so you can quickly find the host of public safety resources available.

Inside, you will find essential contact numbers, email addresses and websites for police, legal help and other community groups. Keep this booklet handy. And remember: Don't wait for a crisis to figure out where to go for help. Be prepared.

But if you do find you need more help, contact my office.

Sincerely,

State Rep. Joanna E. McClinton
