

2016 LEAF COLLECTION SCHEDULE

Each fall the Township’s Public Works Department collects leaves from residential properties located on all Township, State, and Private roads. Leaves will be collected two times in each district. The second collection will begin after the first collection has been complete in all three districts.

	District 1	District 2	District 3
1 st Collection	Oct. 24 - 28	Oct. 31 - Nov. 4	Nov. 7 - 11
2 nd Collection	Nov. 14 - 18	Nov. 21 - 31	Dec. 1 - 9

Please note: The leaf collection schedule is subject to change in cases of inclement weather.

Leaf Collection Guidelines

- Residents who live on street names listed in **CAPITALS on the Districts Streets List** **MUST** place their leaves in the gutter line of their street. Leaves should be piled so they do not impede the cart way. If **SOME** leaves must remain behind the curb (so that the cart way is not impacted) township crews **WILL** remove leaves from that location.
- Residents who live on streets listed in regular type on the Districts Streets List are required to place their leaves on their property and **OFF** the street (behind the curb). The township crews will remove the leaves from that location.
- All tree branches and tree limbs must be removed from leaf piles.
- Because of State regulations, **bagged leaves will not be collected** by Radnor Township Solid Waste Collection Division during this collection.
- All leaves to be collected must be placed according to the guidelines described and will be picked up in bulk. There will be no exceptions!

- **Special note: Please do not park any motor vehicle on top of leaf piles. A hot engine could cause the leaves to catch fire.**
- **Note to Landscapers:** It is illegal to dump compacted loads of leaves on Township streets. Any contractor caught dumping compacted leaves will be subject to a \$300 fine for illegal dumping on Township right-of-way.

Daily Leaf Collection Schedule

- The projected list of streets that leaf crews will be working on the next workday can be found on the township website at www.radnor.com. The leaf schedule will be followed as possible, weather permitting.
- The Daily Leaf Collection Schedule can also be seen on RTV, Comcast cable channel 10 or Verizon FiOS channel 30. The cable service is subject to change due to unforeseen circumstances that may arise.

During the months of January through October, leaves may be bagged in biodegradable paper bags and placed at the curb on Wednesdays (exception of holiday weeks) as part of the yard waste recycling program. No more than 10 bags of leaves should be put out for collection per week and each bag should weigh no more than 30 lbs.
