Honorable Josh Shapiro, Attorney General  
Commonwealth of Pennsylvania  
Office of Attorney General - Strawberry Square  
Harrisburg, PA 17120

RE: Brighton Rehabilitation and Wellness Center (Brighton Rehab)

Dear Attorney General Shapiro:

I write to urge you to investigate Brighton Rehab, located in Brighton Township, PA.

As of today, there are over 60 COVID-19 related resident deaths at the facility. There are numerous media reports describing the unsafe conditions there, as well as a class-action lawsuit alleging that the facility performed drug experiments on patients under the guise of clinical trials.

I have, for over a month, voiced my concerns to the PA Department of Health, but people continue to die and become infected at alarmingly high rates. I'm asking you, as the Chief Law Enforcement Officer in our Commonwealth, to ensure that this facility is adhering to all statutory requirements in light of the serious allegations of questionable experimental treatment on residents.

Thank you for your efforts during this unprecedented time and thank you for your consideration of this request.

Sincerely,
