

The Pennsylvania House of Representatives' Scholarship Program enhances educational opportunities for eligible students who reside in Pennsylvania. The program is privately funded by individual and corporate donors; no tax or other public funds are used. The program is administered by The Foundation for Enhancing Communities (a 501(c)(3) community foundation) and uses the nowU Pennsylvania 529 College Savings Program at the State Treasury Department to ensure that the scholarships keep pace with tuition inflation (nowU, formerly TAP 529, was established by the Pennsylvania General Assembly in 1992).

The program provides four-year scholarships to two high school seniors per year. The award is to be used towards the cost of tuition and fees for a four-year program at a college, university, or career school in Pennsylvania. Each award consists of the value of one semester of tuition at Shippensburg University in Shippensburg, Pennsylvania which is a state supported school for each of four years, as stipulated by members of the Pennsylvania House of Representatives when the scholarship was established. Half of each annual award will be paid in the fall semester, and half in the spring semester. Students must maintain eligibility criteria in all four years in order to receive ongoing awards.

Scholarship awards must be used for tuition & fees and books only. Each award disbursement will be paid jointly to the student and to the educational institution in order to ensure proper use of funds.
