As a strong supporter of quality education, I’m a community volunteer at Mt. Carmel Baptist Church as they contribute to the needs of our children who attend John Barry Elementary School and Universal Daroff Elementary School.

I’m proud to stand with the members of Mt. Carmel Baptist Church as we contribute to the needs of our children who attend John Barry Elementary School and Universal Daroff Elementary School.

Each year, over 100 young people filled the gymnasium to compete in the Overbrook High School Champions Youth Network, the help of the Village of Overbrook Church, and our runner up, Knights of Sharon Baptist Church, as they contributed to the needs of our children who attend John Barry Elementary School and Universal Daroff Elementary School.

As we move into this next chapter, it will be critical for us to work collaboratively with our officials in Harrisburg and in Philadelphia to ensure we achieve the progress necessary to address the issues that impact our residents. This is an aggressive agenda and, given our new environment on the state and federal levels, we have a tough road ahead of us. But having the opportunity to work with this district for close to 10 years, I believe if we continue to be steadfast in our commitments to improving our communities and guaranteeing that our children and seniors are protected from fraud and have access to the resources they need to live peacefully; and drive resources to restore our area commercial corridors and recreation spaces to their glory.

This is an aggressive agenda and, given our new environment on the state and federal levels, we have a tough road ahead of us. But having the opportunity to work with this district for close to 10 years, I believe if we continue to be steadfast in our commitments to improving our communities and guaranteeing that our children and seniors are protected from fraud and have access to the resources they need to live peacefully; and drive resources to restore our area commercial corridors and recreation spaces to their glory.

To ensure we accomplish our goals as a community, I will need your help to strengthen local partnerships, forge new relationships and advocate for commonsense policies and legislation that have a meaningful impact on a grassroots level.

Member of my Office staff, along with my Henniburg office staff and neighborhood residents, with me on my swearing-in day.

Committee Assignments Focused on the Needs of the District

During the 2017-18 legislative session, I have the privilege to serve on several key House standing committees, which will help me move the needle on a series of critical issues facing our district. The Democratic leadership has appointed me to sit on the Labor and Industry; Liquor Control; Criminal Justice; and Aging and Older Adult Services; and the Agriculture and Rural Affairs committees.

Given the shifts we are experiencing as a commonwealth and a nation, as a new legislator, I look forward to participating in meaningful dialogue within these committees on issues that have a direct impact on the 191 and all Pennsylvania. While all of these committees are crucial to the overall trends of the commonwealth, Liquor Control, Labor and Industry, and Aging and Older Adult Services committees specifically coincide with a significant portion of the agenda that I’ve laid out for my first term. Philadelphia is home to several bars, restaurants and corner stores that serve alcohol. With the General Assembly joining some laws regarding liquor sales, these businesses have opportunities to grow their economic footprint in our city. However, I see this potential growth as a need for a watchful eye on nuisance establishments that take advantage of loopholes and have a negative impact on the surrounding neighborhoods. There are a series of liquor establishments located in our corridors and in the neighborhoods that have caused residents significant concern. In an effort to address these concerns by targeting these types of establishments, I plan to take a series of actions to ensure nuisance businesses are combated by local and state agencies. Over the next several months, I will be establishing a liquor control task force that will consist of local and state agencies, boroughs, and residents who are immediately impacted by the operation of these businesses. This task force will focus on the gathering of reports and complaints from residents; tracking and examining new license request and renewals; and making legislative and policy recommendations that will address nuisance liquor establishments. In addition to establishing the task force, I plan to host a neighborhood policy hearing and introduce a series of legislative bills that will strengthen regulations to hamper down on liquor nuisance establishments.

As a member of the Labor and Industry Committee, I will look to increase workforce development and career and technical education opportunities in the 191 District. While serving on the Aging and Older Adults Committee, I will seek to introduce legislation to protect seniors from financial fraud, secure additional resources for senior activity centers, and increase access to resources by way of older adult programming.

New Investment: $300,000 Grant Secured for the Carroll Park Redevelopment Project

I am pleased to have been a part of the group that secured this $300,000 grant to revitalize Carroll Park, located in the Carroll Park neighborhood of Philadelphia. Seventeen years ago, I had the opportunity to work with our then-191 Legislator, Senator Vincent Hughes, and the city of Philadelphia to create the Neighborhood Conservation and area residents to reach the park to meet the growing needs of the surrounding community.

As many of you may know, Carroll Park serves as a central point and gathering place for families throughout the Carroll Park neighborhood and I could not be happier to know that this much-needed funding is going to help transform the park. This will be a multi-purposed, multigenerational space that will be able to be utilized to hold events, allow for exercise opportunities, and provide play times families aren’t able to afford vacations outside of the city, which forces us to transform our area parks and recreation centers into ‘staycations’ and destinations that offer a similar experience. These upgrades will provide that atmosphere for our young people and area residents.

The Philadelphia Department of Parks and Recreation will use this funding to restore the park’s historic water fountain and play area, upgrade the children’s playground equipment, create an interactive “play-ground” system with multi-level play structures on top of benches, increase signage at the entrance of the park and improve lighting and green space to create a safe environment. The redevelopment project will not become a reality without the efforts and financial commitment of the Carroll Park Neighborhood Advisory Council, along with the Farmington Park Conservancy and the Pennsylvania Horticultural Society. That commitment, with area block captains and 4th District Councilman Curtis Jones Jr, have paved the way for this project to move forward.

Joining my colleagues in support of state Senator Vincent Hughes as he announces $300,000 “Head” poising in our neighborhoods.

Committee Assignments Focused on the Needs of the District

During the 2017-18 legislative session, I have the privilege to serve on several key House standing committees, which will help move the needle on a series of critical issues facing our district. The Democratic leadership has appointed me to sit on the Labor and Industry; Liquor Control; Gaming Oversight; Aging and Older Adult Services; and the Agriculture and Rural Affairs committees.

Given the shifts we are experiencing as a commonwealth and a nation, as a new legislator, I look forward to participating in meaningful dialogue within these committees on issues that have a direct impact on Delco and all Pennsylvanians. While all of these committees are crucial to the overall trends of the commonwealth, Liquor Control, Labor and Industry, and Aging and Older Adult Services committees specifically coincide with a significant portion of the agenda that I’ve laid out for my first term.

Philadelphia is home to several bars, restaurants and corner stores that serve alcohol. With the General Assembly loosening laws regarding liquor sales, these businesses have opportunities to grow their economic footprint in our city. However, this potential growth requires a watchful eye on nuisance establishments that take advantage of loopholes and have a negative impact on the surrounding neighborhoods. There are a series of liquor establishments that are immediately impacted by the operation of these businesses. I plan to take a series of actions to ensure nuisance businesses do not continue to be conducted by local and state agencies. Over the next several months, I will be establishing a liquor control task force that will consist of local and state agencies. Issues and concerns will be immediately addressed by the operation of these businesses. This task force will focus on nuisance establishments and report complaints from residents; tracking and examining new license request and transfers; and making legislative and policy recommendations that will address nuisance liquor establishments. In addition to establishing the task force, I plan to host a neighborhood policy hearing to introduce a series of legislative bills that will strengthen regulations to hamper down nuisance liquor establishments.

As a member of the Labor and Industry Committee, I will look to increase workforce development and career and technical education opportunities in the 192nd Legislative District. While serving on the Aging and Older Adults Committee, I will seek to introduce legislation to protect seniors from financial fraud, secure additional resources for senior activity centers, and increase access to resources by way of older adult programming. I will also work to secure additional resources for senior activity centers, and increase access to resources by way of older adult programming. I will also work to increase workforce development and career and technical education opportunities in the 192nd Legislative District. While serving on the Aging and Older Adults Committee, I will seek to introduce legislation to protect seniors from financial fraud, secure additional resources for senior activity centers, and increase access to resources by way of older adult programming.

New Investment: $300,000 Grant Secured for the Carroll Park Redevelopment Project

I am pleased to have been a part of the group that secured a $300,000 grant to revitalize Carroll Park, located in the Carroll Park neighborhood of Philadelphia. Over 25 years ago, I had the opportunity to work with our 192nd Legislative District and the city of Philadelphia to create the Carroll Park Neighbors Association and our local councilman, and I could not be more proud to know that this much needed funding is going to help transform the park. This will be a wonderful recreational space that will be able to be utilized for both events, allows for leisure opportunities, and in a future timeframe, families aren't able to afford vacations outside of the city, which forces us to transform our area parks and recreation centers into "staycations" and destinations that offer a similar experience. These upgrades will provide that atmosphere for our young people and area residents.

The Philadelphia Department of Parks and Recreation will use this funding to restore the park’s historic water fountain and play area, upgrade the children’s playground equipment, create an interactive “spray-ground” system with matting and new equipment, create an interactive “spray-ground” system with matting and new equipment, and have a negative impact on the surrounding neighborhoods.

New Investment: $300,000 Grant Secured for the Carroll Park Neighborhood Revitalization Project

As we work toward improving Carroll Park, I would like for you to meet the team that will be working with us along the way. Our Philadelphia office includes Dawn Cowan, director of constituent relations, Kimberly Snowden, director of policy; and the constituent relations team, Homer Lane, Christina Willis, Gwendolyn Fort and Deanna Whitaker. The new team for the office comes with significant years of both government and neighborhood experience, coupled with an eagerness to directly connect services to the district. Please feel free to stop by the office or meet them at your next scheduled community meeting.

If you are unable to travel outside your neighborhood, please pop up at one of our scheduled satellite offices in a neighborhood near you. As the weather gets warmer, my office staff will bring our constituent services to different locations throughout the district. We can help you with issues including property tax issues, birth and death certificates, LIHEAP heating assistance, PACE programs, and many more state services.
Dear Neighbor,

On Tuesday, January 3rd, 2017, I had the honor and privilege to be sworn in as your new state representative for the 2017-18 legislative session. With the tough road ahead of us, I would like to personally thank the residents of the 192nd Legislative District for entrusting me with the responsibility to lead this district during this significant transition.

Throughout my time spent in the 192nd Legislative District, I have had the opportunity to connect with our neighbors and area civic associations to identify the top priorities and goals that will help us live peacefully; and drive resources to restore our area commercial corridors and recreation spaces to their glory.

As a strong supporter of quality education, I'm excited to announce this year's tournament. Over 100 young people filled the gymnasium to compete in the Champions Youth Network, the help of the Village of Champions Youth Network, our champions, the Sharon Baptist Church, and our runner up, the Village of Champions Youth Network. Congratulations goes to Morgan Cephas for winning the tournament.

As we move into this next chapter, it will be critical for us to work collaboratively with our offices in Harrisburg and Philadelphia to ensure we achieve the progress we need. Over the next few months, I plan to fight for adequate funding to increase quality education for our children who attend John Barry Elementary School and Universal Daroff Elementary School. As a strong supporter of quality education, I'm excited to announce this year's tournament. Congratulations goes to Morgan Cephas for winning the tournament.

This is an aggressive agenda and, given our new environment on the state and federal level, we have a tough road ahead of us. But having the opportunity to work with this district for close to 10 years, I believe if we continue to be steadfast in our commitments to improving our neighborhoods and rolling up our sleeves together, we can accomplish great strides over the next two years. During the next several months, you will hear directly from me and my office about the services we provide, while working with local agencies to increase public safety throughout the district, create programming to ensure our services are protected from fraud and have access to the resources they need to live peacefully; and drive resources to restore our area commercial corridors and recreation spaces to their glory.

Dear Neighbor,

On Tuesday, January 3rd, 2017, I had the honor and privilege to be sworn in as your new state representative for the 2017-18 legislative session. With the rough road ahead of us, I would like to personally thank the residents of the 192nd Legislative District for entrusting me with the responsibility to lead this district during this significant transition. Throughout my time spent in the General Assembly, I have had the opportunity to work with this district for close to 10 years, I believe we need. Over the next few months, I plan to fight for commonsense policies and legislation that have a meaningful impact on a grassroots level.

As we move into this next chapter, I will be critical for us to work collaboratively with our officials in Harrisburg and in Philadelphia to ensure we achieve the progress and growth that will benefit our district for generations to come. This is an aggressive agenda and, given our new environment on the state and federal level, we have a tough road ahead of us. But having the opportunity to work with this district for close to 10 years, I believe if we continue to be steadfast in our commitments to improving our neighborhoods and rolling up our sleeves together, we can accomplish great strides over the next two years. During the next several months, you will hear directly from me and my office about the services we provide, events you can attend and what I am working on in Harrisburg. Stop by my mobile offices near you and roll up your sleeves to join me in Harrisburg.

Thank you to the residents of the 192nd Legislative District for entrusting me to lead the district and I look forward to our working together to rebuild our district block by block.

Yours in Service,

Morgan Cephas
