

Dear Neighbor,

I'm inviting you to workshops that will help you apply to Pennsylvania's Property Tax/Rent Rebate Program.

The program provides a state rebate on 2017 property taxes or rent to income-eligible residents who are 65 or older; widows and widowers 50 or older; and people with disabilities 18 or older. To be eligible, household income must be \$35,000 or less for homeowners, or \$15,000 or less for renters. Applicants only need to count half of Social Security, Supplemental Security or federal Railroad Retirement Tier 1 benefits toward their total income.

The maximum standard rebate is \$650. The program is supported by the Pennsylvania Lottery and slots gaming revenue.

I encourage you to attend this workshop if you believe you qualify for the program. We will have applications available and my staff will be there to help you complete the paperwork.

Please note that help will not be available with income tax forms at these workshops.

Best regards,

## The workshops will be held:
