Working *for* YOU

Dear Neighbor,

I'm state Representative Darisha Parker and I'm reaching out because you reside in the 198th Legislative District I serve. I wanted to make sure you know about my work and all the services my office can assist you with.

Since taking office, I've been fighting to protect and improve your quality of life. I've worked closely with PA First Lady Lori Shapiro to create the first-ever state funding source for low-income schools to provide free and necessary period products to students – a \$3 million investment in our students' health!

I love visiting our small, local businesses and truly believe they are the backbone of our community. If you own a business, contact my office today so my team and I can stop by.

I'm here fighting for you, your family, our neighbors and friends. Whether it's helping you navigate state resources, providing a letter of support for state grant funding, or pushing for legislation that reflects our values, I'm always working for you.

These aren't just policy points to check off a to-do list – I'm here to listen to my neighbors, even through the hard conversations, to make life better for all of us.

Don't forget to sign up for my weekly e-newsletter to stay up to date on the latest news from the state Capitol and our neighborhood. Scan the QR code to sign up.
