

STATE REP. JENNIFER O'MARA

DECEMBER 2021

165TH LEGISLATIVE DISTRICT

Constituent Services Office: 905 West Sproul Road • Suite 203 • Springfield, PA 19064 • P: (610) 544-9878
Capitol Office: 103 Irvis Office Building • P.O. Box 202165 • Harrisburg, PA 17120 • P: (717) 783-4090

Dear Neighbor,

I can't believe we are nearing the end of 2021! My office has been busy this fall working to serve everyone in our community. I recently wrapped up my second series of in-person town halls, my staff organized two expos to provide the community with information on mental health and senior services, and we remain open Monday through Friday from 9 a.m. – 5 p.m., working hard on topics ranging from unemployment and PennDOT to LIHEAP and other issues. My office is also involved in the Season of Giving, supporting drives for Toys for Tots, for women's health items, and for food donations to support pantries right here in Springfield, Marple, Morton, and Radnor. I would also like to take this time to wish you a safe and happy holiday season. I want to thank you all for giving me the opportunity to serve our community. I have a profound appreciation for the role that I serve, and I will continue to work hard to get results for Delco and to demonstrate that government can be a force for good. As we head into a new year, it is my hope that we remember that there truly is more that unites us than divides us.

Kind regards,

Jennifer O'Mara

Redistricting in Pennsylvania

Redistricting is a process that happens once every decade, and our results should be finalized by May 2022. Learn more about this process and what it entails through the infographic below.

SO YOU WANT TO KNOW ABOUT
REDISTRICTING?

What is redistricting?
Legislative districts are geographic areas where voters elect those who serve as their state representative, senator and congressperson. **Redistricting** is the process where these district lines are reevaluated to ensure equal representation throughout the commonwealth.

When does redistricting happen?
PA's constitution requires that legislative district lines be redrawn **every 10 years**, triggered by census results. The goal is to have new maps in place prior to an upcoming election where state legislators are up for reelection.

Why is this important?
Redrawing Pennsylvania's district boundaries ensures that **each citizen's vote carries the same weight** at the ballot box.

Who redraws the maps?
PA's **Legislative Reapportionment Commission** consists of five members: the four caucus floor leaders and a chairman selected by those members or, if they can't reach agreement, the PA Supreme Court. This group is tasked with redrawing state House and Senate district maps.

DID YOU KNOW?
Gerrymandering is a term used when legislators selfishly draw district lines that benefit one political party over the other. It's when legislators choose their voters instead of the other way around.

Recognizing suicide prevention in the Capitol

I was honored to present a legislative citation recognizing September as Suicide Prevention Month and September 10, 2021, World Suicide Prevention Day.

As a suicide loss survivor, I use my experience to drive my work as a legislator and improve awareness of suicide's causes and treatments, increase access to effective and affordable treatment, and remove the stigma that too often surrounds mental health treatment. Death by suicide is preventable, so I encourage everyone to check on their loved ones who are struggling and be the one to start a difficult conversation.

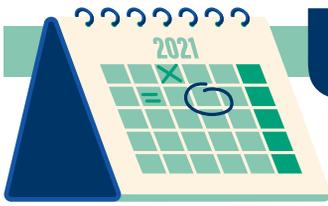

Thank you to state Rep. Kerry Benninghoff for partnering with me for the second year to work on this citation. I was so proud that these initiatives had bipartisan support and we can come together across the aisle for suicide prevention.

If you are struggling with your mental health, know that help is available 24/7/365. Please call the National Suicide Prevention Lifeline at 800-273-8255, or text "PA" to 741-741 if you are struggling with depression, anxiety, suicidal ideation or any mental health issue.

The Delco Mobile Crisis Unit can also provide assessments, intervention and referrals to those in need by calling 1-855-889-7827.

You matter, and you are not alone.

AROUND THE COMMUNITY

When I'm not in Harrisburg, I love connecting with the residents of the 165th Legislative District by hosting and attending special events! Whether you came out to one of my four in-person town halls or spoke with me at a community event, it is always a pleasure to meet those whom I represent in Harrisburg.

I always love celebrating Veterans Day with our community's service members. It was an honor to march in Media's parade alongside those who served and thank you to all who came out to my annual Veterans Day breakfast at Paxon Hollow!

Above: Thank you to all who came out to my senior expo, vendors and attendees alike! I'd especially like to thank Springfield Pharmacy for providing on-site flu shots. If you are a senior in need of assistance, give my office a call at 610-544-9878.

Right: I'm always proud to march in the Labor Day parade with union brothers and sisters from across the Philadelphia region.

Thank you to everyone who attended and volunteered at my last shred event of the year! It was a huge success and we couldn't have done it without you all.

Thank you to everyone who visited my office's Mental Health Expo and thank you to all our vendors and volunteers who were there to provide resources and assistance. If you were unable to access resources you were looking for here, please do not hesitate to contact my office at 610-544-9878 and my staff will gladly help you!

I toured the International Union of Operating Engineers Local Union 542 Training Facility and had the opportunity to operate an excavator while connecting with workers.

I was incredibly honored to be presented with the Rosie the Riveter Award by the Delaware County AFL-CIO Central Labor Council. As a woman in government, I relate to the spirit of Rosie. While 15,000 men have served in the PA legislature since its founding in 1682, less than 300 women have had this privilege.

Thank you to everyone who participated in my blood drive organized with state Sen. Tim Kearney. I was able to make a donation and earn my 3rd gallon pin from the Red Cross.
