

STATE REP. **PERRY WARREN** 31ST LEGISLATIVE DISTRICT

Welcome to the neighborhood

Dear Neighbor,

To all the new residents of our communities, whether you have recently relocated to Bucks County from outside the state, from another county, from abroad or simply moved across town, welcome!

It is an honor to serve as this area's state representative in the Pennsylvania House of Representatives.

I hope you will find this part of Bucks County an ideal place to call home. Our hometowns have beautiful green spaces, notable historical attractions, quality schools, numerous recreational opportunities, an abundance of great stores and restaurants, and outstanding residents. It has been a great place to raise our family and a great place to develop long-lasting friendships. I hope you have a similar experience.

A state legislator drafts bills and introduces legislation with the objective of improving the laws within our state. Furthermore, one of the biggest aspects of the job is helping thousands of our residents each year.

My offices provide a variety of services and support, as well as behind-the-scenes work in searching for answers to questions residents might have regarding state laws and regulations.

This newsletter includes information on how you can easily contact my offices. It also explains the most-requested services my legislative staff and I provide.

As always, please contact me if we can help with any state matter or issue.

I would love to hear from you.

Sincerely,

*State Rep. Perry Warren
31st Legislative District*

Information for car registration, licenses

Not knowing what you need and what to bring to the Department of Motor Vehicles after you move can be stressful. Please contact my office at (215) 493-5420 if you need forms or information. We can help.

If you are moving from within PA:

You must report your change of address within 15 days of moving. You can change your address online for the driver's license/photo ID and vehicle/trailer registration, OR you can complete the MV-63 (Change of Address).

If you are moving from out-of-state to PA:

For driver's licenses, if you have an out-of-state license, you have 60 days to get a PA license. You must appear in person at a Driver's License Center and surrender your out-of-state license (valid or expired 6 months or less), take an eye test and complete a DL-180R. You will also have to show proof of identification and residency and your Social Security card.

Out-of-state learner's permits cannot be transferred to PA. If your out-of-state license is expired by more than 6 months, it cannot be transferred, and you must apply for a PA Learner's Permit and complete all knowledge and skills tests.

For titling and registration, apply for a PA title and registration within 20 days. You must have a valid form of PA ID. The out-of-state title must be surrendered to PennDOT, and the MV-1 must be completed by an authorized PennDOT agent. To title and register your vehicle, please bring with you to the authorized PennDOT agent:

- A valid title for all vehicles you wish to register in PA, issued in your name, from your previous state.
- Proof of PA insurance.
- Vehicle Identification Number.
- Form of payment for appropriate title, lien, registration fees and sales tax.

If you are titling and registering a leased vehicle, the leasing company must complete the MV-1L.

Citations honoring accomplishments and personal milestones

I present citations from the House of Representatives to residents in honor of major accomplishments and life milestones.

If you or someone you know lives in the 31st Legislative District and accomplished a notable achievement or reached a milestone, please let me know.

If possible, contact my Yardley office at 215-493-5420 in advance of a milestone or any scheduled event so we can have the citation prepared and ready to present on or close to the date of the event.

Serving our community for more than a decade

I was elected to represent the 31st Legislative District in the Pennsylvania House of Representatives in 2016 after serving seven years on Newtown Borough Council.

I also served on the board of my church and on the board of directors of the Camp Fire Boys and Girls, The Young Entrepreneurs Organization and The National Kidney Foundation of the Delaware Valley.

The 31st Legislative District of the state House includes Lower Makefield Township, Morrisville Borough, Newtown Borough, Newtown Township and Yardley Borough. It is a pleasure and an honor to meet and represent the residents of these great communities.

Tours of our state Capitol

President Teddy Roosevelt proclaimed our state Capitol the "handsomest building" he ever saw upon its dedication in 1906. Philadelphia architect Joseph Huston, the son of Irish immigrants and a Princeton University graduate, designed the Capitol's 272-foot dome, modeling it after Rome's St. Peter's Basilica. The backdrop of the Capitol's central rotunda features a grand staircase modeled after the one in the Palais Garnier – or the Paris Opera House. Huston incorporated various Renaissance designs throughout the House, Senate and Governor's Reception Room.

It truly is a building every Pennsylvania resident should experience at least once. Contact my Harrisburg office at 717-787-5475 to schedule an individual or a group visit or to learn more.
