SWORN-IN FOR FIRST TERM

In January, I took the oath of office in the state Capitol to begin my first term representing the 105th Legislative District in Dauphin County. The swearing-in ceremony marked the beginning of the 2023-24 session of the Pennsylvania House of Representatives.

I was fortunate to have my family with me as I was sworn in to represent our communities! Among my top priorities this session are paid sick leave, education funding, increasing the minimum wage, expanding access to life-saving medication, and protecting fundamental rights like voting access, reproductive rights, and the right to determine whom you love.

My office can help with a variety of state-related services, including unemployment compensation, home heating assistance, children's health insurance, prescription drug costs, and Property Tax/Rent Rebate assistance. Residents can find out more by going to www.RepFleming.com. My new Capitol office is located at 102A East Wing in the state Capitol complex.

THE NEW 105TH LEGISLATIVE DISTRICT

On Feb. 4, 2022, the Pa. Legislative Reapportionment Commission voted 4-1 to approve new state House and Senate districts. These maps took effect for Pa.'s 2022 legislative elections. You can see the old district map below on the right and the newer district map on the left. I want to take a moment to acknowledge these changes and to reassure you that I am committed to working on behalf of all my constituents in the newly drawn 105th Legislative District. We are happy to welcome our new neighbors who were previously served by Representatives Susan Helm and Andrew Lewis.

I am proud to call Dauphin County my home and have spent all of my life here. I'm eager to get to work for the folks in Lower Paxton Township, Penbrook Borough, and Susquehanna Township.
